Responding to questions from Chairman Beauregard, Mr. Montez stated, so currently I own and operate Travessia Winery on Purchase Street for the past eleven years ... obviously, a winery is producing location ... this being a wine bar ... obviously it’s not a wine producing space ... basically it will be operating as an on premise wine location where wine will really be the focus along with limited food ... it will not be an all-out restaurant ... it will be more of a Tapas Style restaurant ... we will be trying to emphasis the wine and the quality of the wine.

When asked by Chairman Beauregard if he would be offering any entertainment, Mr. Montez stated that he had plans at the present time regarding entertainment.

When asked by Commissioner Craig that on his application that he indicated that he would occasionally be having entertainment, Mr. Montez amended his previous answer by stating, it may be like someone playing an acoustic guitar; adding that it would not be a nightclub environment.

Chairman Beauregard then informed both Mr. Souza and Mr. Wunschel of a recently received complaint regarding the purchase of alcohol from package stores and drug activity on the premises, to which both Mr. Wunschel and Mr. Souza stated that it probably was sent from the previous manager who was voted out by the members; and who has an ax to grind.

27. Hearing: Ilha Verde Café, Inc. d/b/a Ilha Verde Cafe
Ms. Nelia Barbosa, Manager
85 Delano Street

Your presence is requested at a hearing to determine whether you may have violated provisions of ABCC and Licensing Board Rules and Regulations. The Board will also review other complaints filed with this office as it pertains to possible late-night disturbances and public safety issues.

Based on their findings, the Licensing Board may act to modify or suspend your license; and if warranted, a roll back of hours may be considered. They are as follows:

Violations: Alcoholic Beverages Control Commission Regulation 204 CMR 2.05: (2)-

States no licensee shall permit any illegality to occur on the licensed premises. The licensee is responsible, whether present or not, for ensuring that no disorder, disturbance, or illegality takes place in or on a licensed premise, this includes the use or sale of illegal narcotics.

Licensing Board Regulation No. 10, 11, & 12-

Alcoholic beverages shall not be served to a person who is or appears to be intoxicated; Excessive noise and objectionable persons shall not be permitted on or about the premises. It is the responsibility of the licensee to enforce this rule. Premise must always be kept safe.

Present: Nelia Barbosa, Owner/Manager along with Julio Barbosa, Husband; Lt. Scott Carola, Liaison to the Licensing Board along with Det. Matthew Rodrigues, Reporting Officer

Upon being asked by Mr. Nanopoulos if she had received a copy of the 'Hearing Notice', and if she had read the summary contained in the notice, and if she understood why she was before the Board based on the summary and the list of alleged violations contained in the 'Notice', Ms. Barbosa stated that she did receive the notice and that she was fully aware of why she was before the Board here tonight, and waived the reading of the summary.

Chairman Beauregard informed Ms. Barbosa that the reporting officer was present to read, summarize, or give testimony to what was contained in his reports; and at the conclusion of his testimony, the Board would then ask any questions they may have, and then she would be given an opportunity to respond to the testimony presented, and address the Board before they make their decision.

Chairman Beauregard opened the hearing by asking Det. Rodrigues to either summarize or read his reports and give the Board an overview of what was contained in his reports.

Det. Rodrigues gave his testimony as to what was contained in the three reports that were submitted to the Board and also gave an overview of what has been occurring on or about the licensed premise, which continues to be an ongoing problem; including serving intoxicated patrons, and their failure to curtail disturbances by the patrons on and about the premises.

Mr. Patel was afforded ample opportunity to respond to the testimony that was presented by Det. Matthews, as well as addressing those concerns presented by the Board.

VOTED: On a motion by Commissioner Almeida, **the Board voted unanimously not to take any action at this time;** but did issue a warning that all rules and regulations must always be adhered to whether the licensee is on the premises or not.

As a result of the hearing, of which an audio version is on file; the Board made the following decision:

Board's Written Decision of 08/07/19

Per your recent hearing regarding violations of ABCC Regulation 204 CMR 2.05 (2) and Licensing Board Regulations on two incidents that occurred at your establishment on 06/01/19 and 06/09/19, the Board, based on the testimony presented by the Officers and discussing the matter in detail with you, **voted unanimously not to take any action at this time; but did issue a warning that all rules and regulations must be adhered to at all times, whether you are on the premises or not.**

This office once again reminds you of the following Rules and Regulations:

Violations: Alcoholic Beverages Control Commission Regulation 204 CMR 2.05: (2)-

States no licensee shall permit any illegality to occur on the licensed premises. The licensee is responsible, whether present or not, for ensuring that no disorder, disturbance, or illegality takes place in or on a licensed premise, this includes the use or sale of illegal narcotics.

Licensing Board Regulation No. 10, 11, & 12-

Alcoholic beverages shall not be served to a person who is or appears to be intoxicated; Excessive noise and objectionable persons shall not be permitted on or about the premises. It is the responsibility of the licensee to enforce this rule. Premise must always be kept safe.

28. Hearing: Ilha Verde Café, Inc.

d/b/a Ilha Verde Cafe

Ms. Nelia Barbosa, Manager

85 Delano Street

Your presence is requested at a ‘Public Hearing’ to determine whether a roll back (decrease) of hours is warranted as a result of violations of certain provisions of M.G.L., ABCC Regulations, and Licensing Board Rules and Regulations, as a result of incidents reported by the New Bedford Police Department. This roll back (decrease) of hours could affect the hours in which you will be allowed to be open.

The local licensing authority may, after proper notice, hold a hearing to determine whether a roll back of hours is warranted based on the frequency of arrests, disturbances, and incidents requiring police involvement inside or outside the licensed premises; this decision is one that is not appealable to the Alcoholic Beverages Control Commission or to the Superior Court. (As noted in Chapter 138, sec. 12-)
