Your presence is requested at a hearing to determine whether you have violated certain provisions of Alcoholic Beverages Control Commission (ABCC) Regulations and Licensing Board Rules and Regulations. Based on their findings, the Licensing Board may take action to suspend your license until this matter is resolved.

ABCC Regulation 204 CMR 2.05: (2)-

States no licensee shall permit any illegality to occur on the licensed premises. The licensee is responsible, whether present or not, for ensuring that no disorder, disturbance, or illegality takes place in or on a licensed premise.

Licensing Board Regulation No. 6-

Each Corporate Licensee shall appoint a Manager who shall have full authority and control of the premises and who shall be satisfactory to the Board; immediate notice of the appointment must be made to the Board in writing.

The Board is deeply concerned that you have been operating without an approved manager since January 23, 2019, as well as your failure to resolve your outstanding issues with the DOR in a timely manner.

Short of full compliance, the Board must take action and **as such you, are hereby ordered to bring with you your 2019 Liquor License.** Depending on the Board's findings, you may be required to surrender your license until this matter is resolved.

****A DOR Certificate of Good Standing must be received no later than September 20, so that your application may be considered complete, so that it may be placed on the September 23rd Agenda for consideration by this Board. ****
