**Prior Renewal Hearings: (2)**

Your presence is respectfully requested at a hearing to discuss your plans for your liquor license for the year 2018 prior to this Board considering approval of your 2019 renewal application.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

If warranted, the Board may cancel the license of any license holder who "ceases to conduct the licensed business" that is, *any*

*license holder who closes the business or stops doing business.* Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called “pocket License” is subject to possible action by the Board. ***You must submit to the Board that evening, a letter stating your intentions regarding the license that has been issued to you detailing either an opening date, plans to transfer, or change of location, as it applies to your situation.***

**Minutes of 01/22/18 Meeting**

**Present: Phillip Beard, Owner**

When asked by Mr. Beard if all the other licenses that remained inactive would be afforded the same decision as we are getting tonight, to which Chairman Beauregard responded, they will be offered the same deal as you have.

Mr. Beard responded, it doesn't sound like the same deal, they've been closed a lot longer than I have, to which Chairman Beauregard responded, well, that's something you can take up with ABCC when the time comes at your appeal with the ABCC. When asked by Mr. Beard if the Board was giving up their jurisdiction to the ABCC regarding the appeal, to which Chairman Beauregard responded, it's not that we're giving up our jurisdiction, it's the way the process works ... we make our decision ... and you have an opportunity to appeal our decision to the ABCC to make your argument ... they could possibly allow you to have an extension ... but they don't allow 'pocket licenses' ... over 6 months ...

so instead of 6 months ... we're going to give you a year ... you've already been afforded 6 months ... which by November will be over a year ... which we feel is giving you ample opportunity to move that license.

**The following written decision was issued to the licensee on 01/25/18:**

As you are aware from the Board's January 22 meeting, the Board voted unanimously to grant you until our hearing date of November 19, 2018 to activate or transfer your license by this time.

Should your license remain inactive come November 19<sup>th</sup>, said license will be revoked by this Board at which time you will have an opportunity to appeal this action to the Alcoholic Beverages Control Commission (ABCC).

The decision of the Board is supported by MGL Chapter 138, Section 77 which states that “the Licensing Authority may, after hearing or reasonable opportunity there-for, cancel any license issued under the chapter (138) if the licensee ceases to conduct the licensed business, that is, any license holder who closes the business or stops doing business.” The Board would suggest that eleven (11) months is a reasonable opportunity to make arrangements for your license.

I strongly suggest you make a concerted effort to reactivate your license to avoid any adverse action. Thank you in advance for your cooperation in this matter.

**Minutes of 11/19/18 Meeting**

**Please be advised that failure to appear before this Board as requested will result in “Automatic Revocation” of your General on Premise All Alcoholic Beverages License.**

- 2.) Submit paperwork for the Sale and Transfer of the license to a new owner.

**Summary of Incident Report #1**

The Police Department Incident Report states that Officers while on patrol in the area of Nash Rd. and Acushnet Avenue, could hear a disturbance in front of the Whiskey Lounge. Upon arrival, the Officers observed 10-12 people outside and a number of the parties were yelling back and forth; at which point the Officers activated the Blue lights on their cruiser.

Upon seeing the cruiser, most of the parties walked away but a few remained on the scene, at which time a male approached the cruiser and stated that the Officers were not needed; and that he had it under control.

When a second male approached the cruiser, the Officer asked if he worked at the bar, to which he responded that he did. When informed by the Officers, that as long as there was a large group outside and disturbing, that they would be needed and that he need not interfere as the bar had been written up in the past for similar reasons and violent disturbances.

The male immediately started yelling at the Officer, stating that he was sick of the police targeting his bar and that he didn't have to listen to this. He then quickly walked away and went back into the bar and slammed and locked the door behind him. When the Officers gained access to the establishment to return to the conversation and to get his name for the report, Mr. Desnoyers continued to yell about how he was tired of the police harassing and targeting this establishment. Mr. Desnoyers was then advised by the Officers that a report would be filed on this incident and his lack of compliance and interference with my original approach to the disturbance outside of the front door of the bar.

There was also an additional confrontation between the Officers and Mr. Desnoyers when Officers returned to the area approximately 15 minutes later as part of the city's bi-weekly street sweeping initiative. When the Officers began tagging and towing cars, Mr. Desnoyers once again came outside and complained that the Officers were targeting his bar; adding that he believed the actions were personal, and targeted at him and his establishment.

**Date and time of alleged violations: Friday, October 26, 2018 @ approximately 1:28 a.m.**

**Police Report # 18-13709--OF**

The male, who appeared to be intoxicated, stated that he was jumped and refused to speak with the Officers; and for his safety and for the safety of others, he was later placed in protective custody.

**Summary of Incident Report**

The Police Department Incident Report states that Officers were dispatched to the Tropicana Bar & Grill regarding a female and male who were assaulted in front of the establishment.

Upon arrival, the Officers met with the caller who stated that her and her husband were at the entrance of the bar waiting to get in, when another male waiting to get in, accused her husband of staring at him that resulted in an argument; and at one point, the male punched her husband in the face.

After the initial assault, the female stated to the Officers that her husband was then assaulted by approximately five (5) other males, which resulted in her suffering a blow to her head.

As the Officers were speaking to the victims, a male identified as the assailant by both parties stepped out of the bar. The male was then charged with A & B and was placed in protective custody for being intoxicated in public.

*The male, who was 18 years of age, appeared to be unstable and was slurring his words, and admitted that he had been drinking at the bar. Due to the fact that the male was under 21 years of age, his mother was called to take custody of him at the Main Headquarters.*

*When the Officers went inside to speak with the owner regarding possibly serving underage individuals alcohol, the male refused to give the Officers any information regarding underage individuals in his establishment.*

**Date and time of alleged violations: Sunday, October 28, 2018 @ approximately 1:12 a.m.**

**Police Report # 18-13803-OF & 18-3317-AR**

Please be advised, failure to appear at this meeting will result in immediate suspension of your liquor license until this matter is resolved.
