Approved 11/01/17 – Licensee Decision

Prior Renewal Hearings: (1)

Your presence is respectfully requested at a hearing to be held in this office to determine the status of your annual liquor license for the year 2018, as well as to discuss any unresolved DOR issues you may have had, that led to the seizure of your license by the DOR Seizure Unit.

If warranted, the Board may cancel the license of any license holder who “ceases to conduct the licensed business” that is, *any license holder who closes the business or stops doing business*. Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called “pocket License” is subject to possible action by the Board.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

You **must submit** to the Board that evening, a letter stating your intentions regarding the license that has been issued to you detailing either an opening date, plans to transfer, or change of location, as it applies to your situation.

Minutes of 11/20/17 Meeting

Present: Atty. Patrick T. Matthews along with Kelvin Ortiz, Owner

Responding to questions from Chairman Beauregard, Atty. Matthews stated on behalf of his client that his client may either find a suitable location to continue providing adult entertainment, find a location suitable for a bar or restaurant, or sell the license outright.

Voted: On a motion by Commissioner Almeida, the Board unanimously **voted to table the matter to the Board's May 21, 2018 meeting** and to renew the Common Victualler (Restaurant) All Alcoholic Beverages license for 2018; with the following stipulation: that the licensee has **until May 1, 2018 to initiate one (1) of the following two (2) options prior to this date:**

- 1.) Submit paperwork for a Change of Location and a date certain for the opening of premises;
- 2.) Submit paperwork for the Sale and Transfer of the license to a new owner.

If you fail to initiate one of the two options stated above prior to this date, you will be required to appear before this Board once again, at which time the Board may consider revoking your license for non-use.

Please Be Advised that failure to appear before this Board as requested will result in “Automatic Revocation” of your Common Victualler All Alcoholic Beverages License.

Present: Atty. Patrick Matthews along with Kelvin Ortiz, Owner

Atty. Matthews informed the Board that his client was still seeking a suitable location to continue providing adult entertainment or a location suitable for a bar or restaurant; and that he was still open to selling the license outright. He also stated that the additional time would offer his client an opportunity to resolve any DOR issues that he may still have outstanding.

Voted: On a motion by Commissioner Almeida the Board **unanimously voted to table the matter to the Board's November 19, 2018 meeting with stipulations. - Unanimous**

- **COMPLAINTS RECEIVED:**

05/04/18 –N.B. Inn & Suites, 601 South Second Street – The following written complaint was submitted by the N. B. Police Department: A couple of nights ago the Irving Gas station on Hathaway Road was broken into overnight. The investigations lead to an arrest of a male who was staying at the NB Inn hotel. The male was arrested and during the post-arrest interview we learned that he is originally from Louisiana and had been staying at the NB Inn with a girlfriend and kids since January. I asked him if he had any plans for permanent housing and he stated they have no plans to move out. The male admitted being a drug user and the business break was obviously to support his drug habit.

In a separate incident, the Gang Unit Detectives conducted surveillance of the parking lot adjacent to room #110. They were able to detect drug sales out of this room. At the completion of the investigation we arrested 2 males and a female for drug sales out of room #110. All the individuals arrested during this incident are very well known to Drug Detectives for drug sales in the city. The NB inn continues on being a HOT SPOT for criminal activity.
