Present: Mark Martinho, Co-Manager of LLC

Responding to questions from Chairman Beauregard regarding the 2nd floor addition, Mr. Martinho stated, we have an existing ‘Board Room’, in which we would like to have seating for forty (40) or less ... to be used for small functions ... and then we have another larger space, which probably will be able to seat eighty (80) to ninety (90) people ... which we’ll use for slightly bigger functions ... we’ve been getting a lot of requests for meetings and business functions ... as well as small private parties, which would really help us grow our business.

When asked by Chairman Beauregard if they planned on having a bar upstairs, Mr. Martinho responded, so we’ll have a locked liquor cabinet upstairs and just have portable bars for use in those areas ... but no fixed bars.

When asked by Chairman Beauregard if food would be served in those areas, Mr. Martinho responded, as far as food ... it will be just our regular catering menu.

When asked by Chairman Beauregard if there would be entertainment on the 2nd floor, Mr. Martinho responded, no entertainment on the 2nd floor ... maybe just music from an iPod or something like that.

When asked by Chairman Beauregard as to what the plans were regarding the outdoor seating area, Mr. Martinho responded, the sidewalk is just to remain competitive with what people are doing downtown ... and that it would have about eighteen (18) seats ... which will be used for dining purposes and we would comply with the hours as stated in the City Ordinance, which requires a 10 p.m. closing for that area ... and we’ll also have a host posted in that area at all times ... and there will be no glasses or bottles outside ... and there will be no entertainment ... maybe a little music emanating from a speaker for a little background music.

With regard to this year's event, this Board is looking forward to working with you and your committee with the hope that you embrace the outstanding plan that has formulated over the past several years, and that, if possible, explore ways to improve on the plan.

We fully anticipate that this year's committee will work with us to help ensure that the 103rd Feast of the Blessed Sacrament, which is very important to the Portuguese Community, the City of New Bedford, and to all that travel from afar to enjoy and partake in the celebration of the Madeira heritage, remains a safe and enjoyable event for all.

Summary of Incident Reports

Police Department Incident Report states that Police Officers received a call about a possible stabbing at the Garden Restaurant & Bar, located at 32 Barker's Lane. Upon arrival, officers observed a fellow officer taking out his medical bag and getting ready to render aid to a male bleeding profusely from his lower back side. According to a female witness, the victim was only trying to help separate two other males that had been fighting outside the Garden Bar, and she witnessed one of the males forcefully stab the victim in the lower back. When questioned by the officers, the staff at the Garden Bar was uncooperative and did not assist with any information that could help identify the suspect male in any way although he was observed to be a patron inside the bar on this night. The reporting officer's first conversation was with a male who continued to ask why he needed to ask questions since according to him: "it didn't happen in here, it didn't happen inside, it happened out there." The officer noted in his report that he was rude and reluctant to give him any further information. When the officer asked all present if anyone had the number of the person who could access the camera system, and after getting no response; the Reporting Officer noted in his report that he was getting the impression that the staff at the Garden did NOT want anything to do with this incident or did not want to get involved in any way by evading and NOT answering any questions related to this incident.

The Reporting Officer then told the staff that this was an ongoing investigation and that detectives would be there soon, and that they may wish to speak to them; at which point two male staff members stated that there was an issue inside with two males, nothing serious they said, but (earlier, unrelated to the stabbing) that they had asked them to go outside and they did. When asked by the Reporting Officer if anyone remembers the victim who was stabbed outside, if he had been drinking inside, they both said yes and then he went outside, and that's all they could recall.

The Reporting Officer then went back outside through the Barker's Street exit to relay some of this information, and by the time the detectives arrived on the scene, the detectives noticed that the lights were off inside and the staff had left through the front entrance to Union Street; at which point there was no access to the establishment, and there was notice given by the staff they were securing and getting ready to leave; this after being told earlier by the Reporting Officer that this is an ongoing investigation and that detectives would be there soon, and that they may wish to speak to them.
