**Prior Renewal Hearings: (5)**

Your presence is respectfully requested at a hearing at the request of the members of this Board **to determine if you are in full compliance to be issued your liquor license for 2017; failure to be in full compliance may require the Board to initiate its decision of 01/23/17, as stated below.**

If warranted, the Board may cancel the license of any license holder who “ceases to conduct the licensed business” that is, *any license holder who closes the business or stops doing business*. Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called “pocket License” is subject to possible action by the Board.

Please Be Advised that failure to appear before this Board as requested will result in “Automatic Revocation” of your General on Premise Wine & Malt Only Beverages License.

**01/23/17 Written Decision:**

Per your recent hearing to determine the status of your annual liquor license, **this Board voted unanimously to revoke your General on Premise Wine and Malt Only Beverages License, however, the revocation has been set aside until the Board's July 24, 2017 meeting.**

The Board's decision was based on your failure to meet requirements as set forth by the Office of Inspectional Services and the Fire Department (M.G.L. Ch. 138, sec. 64-failure to comply with the Laws of the Commonwealth, To Wit: M.G. L. Chapter 138, section 77, Chapter 304 of the Acts of 2004, An Act Relative to Fire Safety in the Commonwealth, and local Building Code Regulations) in order for you to be issued your Occupancy Permit and 304 Fire Certificate. Both of these forms are required for you to receive your liquor license.

As you are aware, your license has been inactive since December 9, 2015. We understand your issues with Inspectional Services but unfortunately they are issues that are out of our control. That said, it is our responsibility to ensure that your license gets activated and it is for this reason that the Board set-aside the revocation for six months with the hope that you can resolve your building issues or to give you adequate time to sell the license.

You have the right to appeal this decision to the Alcoholic Beverages Control Commission under the provisions of Ch. 138 of M.G. L. within five (5) days of receipt of this notice with a copy submitted to this office.

**Prior Renewal Hearings: (2)**

Your presence is respectfully requested at a hearing to be held in this office to determine the status of your annual liquor license for the year 2017.

If warranted, the Board may cancel the license of any license holder who “ceases to conduct the licensed business” that is, *any license holder who closes the business or stops doing business*. Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called “pocket License” is subject to possible action by the Board.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

You **must submit** to the Board that evening, a letter stating your intentions regarding the license that has been issued to you detailing either an opening date, plans to transfer, or change of location, as it applies to your situation.

Please Be Advised that failure to appear before this Board as requested will result in “Automatic Revocation” of your General on Premise All Alcoholic Beverages License.

#### **02/26/17 Written Decision**

As a result of the open hearing held on February 27, 2017 to determine the status of your annual liquor license for the year 2017, this Board, based on the information you provided in which you stated that you’re still interested in selling your license and that there was one potential buyer currently negotiating a lease with the owner of the building and that the license would remain at the same location, **voted unanimously to table the matter until this Board’s July 24, 2017 meeting.**

**An application for Transfer of License must be submitted as soon as possible but no later than Friday, July 7, 2017.**

As discussed, your failure to comply will result in the Board having to revoke your license for non-use as allowed under Ch. 138, sec. 77. (*The licensing authorities may, after hearing or reasonable opportunity there-for, cancel any license issued under the chapter (138) if the licensee ceases to conduct the licensed business, that is, any license holder who closes the business or stops doing business.*)

Your license has been inactive since November 21, 2016 and you have been afforded ample opportunity to take action. **We strongly advise that you ensure that there are no outstanding issues with the DOR and DUA, so that the transfer application is not held up once it’s submitted.**

**If an application for transfer is submitted by July 7, 2017, you will not be required to appear as notified.**

#### **Present: Mario Gomes, Owner/Manager**

When asked by Chairman Beauregard as to what prompted the issuance of a Writ of Attachment on the license, Mr. Gomes stated that there was an issue with the eviction as a result of missing two month’s rent, which was addressed in court; but I was unaware of the writ because they never served me.

Chairman Beauregard informed Mr. Duarte that he should have been served by the Sheriff’s Office not by the Licensing Board Office, and that he would have to check with them; adding, since the license has an attachment, he would have to address that before he could sell that license.

Mr. Duarte responded by stating, I went to court for that this past Thursday ... it didn’t get waived ... but it did get continued for three months.

Mr. Duarte stated that Atty. Joseph Michaud was working with the landlord to resolve some lease issues, in order for the license to be sold and have it remain at that location.

When asked by Chairman Beauregard if he’s retained Atty. Michaud to represent him in this matter, Mr. Gomes responded, he’s been the mediator ... he’s the landlord’s attorney ... we had one buyer but they couldn’t agree on a lease ... so it fell through ... since last month ... he’s been trying to push the landlord to just buy the license back ... I’ve been trying to work with them but it hasn’t worked out ... although I have someone else interested in buying the license ... but I do have a counter suit against them ... so the judge gave us three months to work it out.

Mr. Duarte disputed that he owed them \$18,000.00 because there’s a security deposit being held in the amount of \$6,200.00; adding that he only owes two month’s rent.

Chairman Beauregard suggested that the matter be tabled for 3 months in order to give Mr. Duarte one last opportunity to move the license, to which Mr. Duarte requested a little more time to resolve this issue because if he did find a buyer, it would take some time to get an application processed.

Chairman Beauregard responded, I would suggest that if you got the process going ... and you come back in October ... you tell us that you got the process going ... we’ll take that under advisement ... you don’t need to have it sold by then ... but you’d better have a solid deal in place to sell the license.

#### **The following written decision in part was issued to the licensee on 08/08/17;**

As a result of the open hearing held on July 24, 2017 to determine the status of your annual liquor license for the year 2017, this Board, based on the information you provided in which you stated that you’re still interested in selling your license and that there was one potential buyer currently negotiating a lease with the owner of the building and that the license would remain at the same location, **voted unanimously to table the matter until this Board’s October 23, 2017 meeting.**

**An application for Transfer of License must be submitted as soon as possible but no later than Friday, October 6, 2017.**

As discussed, your failure to comply will result in the Board having to revoke your license for non-use as allowed under Ch. 138, sec. 77. *(The licensing authorities may, after hearing or reasonable opportunity there-for, cancel any license issued under the chapter (138) if the licensee ceases to conduct the licensed business, that is, any license holder who closes the business or stops doing business.)*

Your license has been inactive since November 21, 2016 and at our July meeting, I (Chairman Beauregard) indicated that you have been afforded ample opportunity to sell the license and strongly advised you to move this license accordingly to avoid this Board from having to take an adverse action.

#### **Summary of Incident Reports**

Police Department Incident Report states that Officers were dispatched to 1653 Acushnet Avenue as a result of a neighbor's complaint of possibly hearing gun shots (5) being fired emanating from this area; the shots were also recorded by Shotspotter. Upon arrival the Officers observed a large crowd of approximately 15 to 20 people outside of the Whiskey Lounge on the Tinkham Street side of the building. Upon seeing the Officers, the crowd immediately began to disperse with some going back into the bar, and others taking off on foot or in vehicles.

Upon entering the premises from the side door, the Officers observed 25-35 people inside and approximately 5 more people standing at the front door. The Officers talked to several people who kept stating that there was a fight between two females outside. The Officers also stated that the crowd was extremely uncooperative. Officers then located two witnesses who stated that an incident occurred inside the premises, and at some point a male exited the bar brandishing a firearm and fired 3 to 4 shots in the air.

Another female witness stated that she was inside the bar when another female approached her and they began to argue inside the establishment. The witness stated that she left and went outside at which point the other female followed her outside and they began to physically fight.

She also stated that someone from the bar took her identification and phone.

When asked by the Officers what had transpired prior to their arrival, the bouncer (Kevin Sbardella) stated that nothing had happened that he was aware of.

When asked if he had any knowledge of the fight that occurred outside or of the male that had left the Whiskey Lounge with a firearm, and firing it in the street, the bouncer insisted he had no knowledge of any incident that had occurred outside, and that he was standing at the front door for the last 15 to 25 minutes.
