Heating, Ventilating and Air Conditioning	<u>G&amp;H Heating</u>	<u>\$488,400.00</u>	<u>Yes</u>
Electrical Work	<u>Fall River Electrical Associates Company, Inc.</u>	<u>\$2,671,199.00</u>	<u>Yes</u>

Total Price of Part II \$ 4,375,589.00

The undersigned agrees that each of the above named sub-bidders will be used for the work indicated at the amount stated, unless a substitution is made. The undersigned further agrees to pay the premiums for the performance and payment bonds furnished by sub-bidders as requested herein and that all of the cost of all such premiums is included in the amount set forth in Part 1 of this Bid.

The undersigned agrees that, if selected as General Contractor, the undersigned will promptly confer with OWNER on the question of Sub-Bidders; and that Owner may substitute for any Sub-Bid listed above a Sub-Bid duly filed with Owner by another Sub-Bidder for the sub-trade against whose standing and ability the undersigned makes no objection; and that the undersigned will use all such finally selected Sub-Bidders at the amounts named in their respective Sub-Bids and be in every way as responsible for them and their work as if they had been originally named in this General Bid, the Total Contract Price being adjusted to conform thereto.

The undersigned agrees that extra work, if any, will be performed and will be paid for in accordance with Article 11 of the Conditions of the Contract.

The bidding and award of this Contract will be in accordance with M.G.L. Chapter 149, Sections 44A - 44J.

The undersigned must furnish a 100 percent Performance Bond and a 100 percent Payment Bond with a surety company acceptable to Owner.

Amounts shall be shown in both words and figures, where indicated. In case of discrepancy, the amount shown in words will govern.

The above prices shall include all labor, materials, bailing, shoring, removal, overhead, profit, insurance and incidentals required to complete the Work.
