Dear Ms. Porter:

RE: 137 Popes Island
Request for Certificate of Compliance, File No. SE 49-0727, Order of Conditions
issued on January 20, 2016

On behalf of Shoreline Resources, LLC, we respectfully request that the Conservation Commission issue a Certificate of Compliance for the above referenced Order of Conditions. The barge installation permitted under this Order was completed; however, the proposed concrete pad was not completed and the Order has since expired. The existing conditions / as-built plan depicts the barges currently on site. This is subject to change as the barges are vessels that may be relocated in the future. We appreciate your attention to this request as the Certificate of Compliance and ask that you please feel free to contact me with any questions.

Sincerely,
Foth Infrastructure & Environment, LLC
