RE: Request for Certificate of Compliance
1693 Phillips Rd.
New Bedford, MA
DEP File No. SE49-0749

Dear Commission Members:

This letter is to certify that we have visited the subject property in September 2018 to perform a visual inspection of the construction activities that took place within the last 12 months. After visiting the site it appears that the construction that took place within the resource area complies with the design plans submitted to the Conservation Commission and Department of Environmental Protection, last revision date November 29, 2017, and conforms to the Conservation Commission's Regulations and the Order of Conditions recorded with the Plymouth County Registry of Deeds Book 141 Page 56.

Should you have any questions, or need any additional information, please do not hesitate to contact this office.

Very truly yours,

FARLAND CORP
