RE: Request for Certificate of Compliance Eversource Project 50 Duchaine Boulevard – New Bedford, MA 02745 DEP File No. SE49-0747

Dear Commission Members:

This letter is to certify that we have visited the subject property several times during and after construction, most recently on August 17, 2018, to perform a visual inspection of the construction activities that took place within the last two years. After visiting the site it appears that the construction that took place within the resource area complies with the design plans submitted to the Conservation Commission and Department of Environmental Protection dated March 15, 2017 and conforms to the Conservation Commission's Regulations and the Order of Conditions recorded with the Bristol County (S.D.) Registry of Deeds Land Court on Certificate #24085 (Book 139 Page 59).

Should you have any questions, or need any additional information, please do not hesitate to contact this office.

Very truly yours,

FARLAND CORP
