RE: Nitsch Project #9972
100 Duchaine Boulevard
New Bedford, MA

Dear Mr. Dixon:

This letter is in regard to the proposed project located at 100 Duchaine Boulevard in New Bedford, Massachusetts. Nitsch Engineering has reviewed the following revised documents for compliance with the Massachusetts Department of Environmental Protection (MassDEP) Stormwater Management Standards:

- Response to comments letter dated October 23, 2017;
- Revised hydrologic calculations, no date; and
- Plans entitled, "Site Plan, 100 Duchaine Boulevard, Assessor's Map #134 Lot #5, New Bedford, Massachusetts," (sheets 1-8), prepared by Farland Corp., revised through October 23, 2017.

This project includes additional construction at 100 Duchaine Boulevard including revisions to an existing parking area located to the east of the existing building, a 150-foot by 100-foot building addition, the installation of an underground infiltration facility, layout changes in the vicinity of the new addition, and the expansion of an existing stormwater basin.

We have no additional comments regarding this project. All previously prepared comments have been addressed.

If you have any questions, please call us at 617-338-0063.

Very truly yours,

Nitsch Engineering, Inc.
