Provided by DEP

A. Project Information (cont.)

6. Did the Order of Conditions for this project, or the portion of the project subject to this request, contain an approval of any plans stamped by a registered professional engineer, architect, landscape architect, or land surveyor?

☒ Yes

If yes, attach a written statement by such a professional certifying substantial compliance with the plans and describing what deviation, if any, exists from the plans approved in the Order.

☐ No

B. Submittal Requirements

Requests for Certificates of Compliance should be directed to the issuing authority that issued the final Order of Conditions (OOC). If the project received an OOC from the Conservation Commission, submit this request to that Commission. If the project was issued a Superseding Order of Conditions or was the subject of an Adjudicatory Hearing Final Decision, submit this request to the appropriate DEP Regional Office (see <http://www.mass.gov/eea/agencies/massdep/about/contacts/find-the-massdep-regional-office-for-your-city-or-town.html>).

Re: Trio Algarvio, Inc 26 Green & Wood Pier (BCE# 32882)
Subj.: Request for Certificate of Compliance

Dear Commission Members:

Trio Algarvio, Inc (Kathleen Downey) has completed work at 26 Green & Wood Pier to reconstruct pier within the same footprint as DPW License #879

I, Ronald R. Bourne, PE, hereby certify under the pains and penalties of perjury that the completed work is in substantial compliance with the "Pier Reconstruction" plan and details referenced in the Order of Conditions issued June 4, 2010.

In accordance with Special Condition 42, we enclose an As-Built Survey plan of the project.

If you have any questions or need any further information, please do not hesitate to contact me.

We hope this is satisfactory for your needs and should you have any questions please do not hesitate to contact us.

Very truly yours,

BOURNE CONSULTING ENGINEERING
A Division of GEI Consultants
