MEMO TO THE FILE

From: Sarah E. Porter *SEP*  
Conservation Agent  
City of New Bedford

Re: North Coast Seafoods  
Blackmer Street  
SE49-0733  
Minor Plan Modifications

North Coast Seafoods is requesting to make two changes to the approved site plan. First they would like to build a 15' x 15' mechanical shed on the former nitrogen tank foundation. Second, to access this shed they would like to leave an existing 2,400 s.f. bituminous concrete apron (roadway) in place. This roadway will be used occasionally to reach the proposed mechanical shed. Following consultation with the Chairman, it has been determined that these are minor modifications that do not require an Amended Order provided the As-built plan submitted with the Request for a Certificate of Compliance reflects the changes.
