Dear Ms. Dinucci,

This letter is to follow up on your undated letter received by this office on November 29, 2016. The Conservation Commission is requesting that if you decide to replace the split rail fence with boulders, a fieldstone wall or a living barrier that you contact me in advance so that we might meet on site and discuss your alternative to the fence and you can show me where you intend to place this barrier. Please contact me at 508-979-1497 if/when you decide to replace the split rail fence.

With respect to complying with Special Condition number 51, please sign the original document sent to you by Whalers Woods Realty Trust (Long Built Homes) and return it to them so that they can file the Request for a Certificate of Compliance with the Conservation Commission. Please contact Mr. Lee Castignetti of Whalers Woods Realty Trust (Long Built Homes) if you need another copy of the document.

Sincerely,

A handwritten signature in cursive script that reads 'Sarah E. Porter'.
