**Subject: Notice of Intent – Proposed Terminal Aprons Redevelopment Project;
New Bedford Regional Airport, New Bedford, MA.
MassDEP File: SE 049-0745**

Dear Commissioners:

On October 18, 2016, the New Bedford Conservation Commission continued the above referenced public hearing to November 1, 2016. At the October 18th public hearing the Commission voted to submit the stormwater portion of the Notice of Intent to Nitsch Engineering for third party review.

The Applicant, New Bedford Regional Airport, understands that a site visit with Nitsch Engineering took place today, October 28, 2016, and the third party reviewer will likely submit comments and questions early next week. The Applicant would like an opportunity to review and comment on the third party submission and respectfully requests a continuance of the November 1, 2016 public hearing until the next available Commission public hearing date, on November 15, 2016.

If you have any questions regarding this request please contact me at 978.461.6227 or via email at aatwell@epsilonassociates.com.

Thank you.

Sincerely,
EPSILON ASSOCIATES, INC.
