Dear Mr. Xavier,

The next regularly scheduled Conservation Commission meeting is to be held on Tuesday November 1st, 2016 at 6:30 PM in Room 314 of City Hall. The Conservation Commission is requesting your appearance to follow up on the encroachment into the No Disturb Zone/Conservation Area. We determined at our meeting yesterday that the shed is 10' into the Conservation Area and the lawn extends approximately 16' into the Conservation Area. We also discussed the removal of grass clippings from the Conservation Area behind the stockade fence. The purpose of the meeting on November 1st will be to resolve the encroachment into the Conservation Area and determine a date by which the grass clippings shall be removed. Please contact me if you should have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Sarah E. Porter".
