Re: Order of Conditions SE49-0518
Map 130G, Lot 189

During an inspection of the subdivision with a representative of Longbuilt Homes and their Engineer for the purposes of obtaining Certificates of Compliance relative to the Orders of Conditions issued to Longbuilt Homes by the New Bedford Conservation Commission, it appeared some vegetation had been cleared behind the split rail fence for the purposes of storing firewood. Please note that the split rail fence is the boundary of the 25' Setback/Conservation Area which is not to be disturbed. The Conservation Commission is requesting that you not clear vegetation in the Conservation Area in order to store firewood. Please contact me if you should have any questions regarding this request.

Sincerely,

Sarah E. Porter
Conservation Agent
