Re: Order of Conditions SE49-0533
29 Schooner Court (Map 130G, Lot 231)

During an inspection of Lot 231 with a representative of Longbuilt Homes and their Engineer for the purpose of obtaining a Certificate of Compliance relative to the Order of Conditions issued to Longbuilt Homes by the New Bedford Conservation Commission, a violation of the Order of Conditions was observed.

A pile of grass clippings was observed north of the split rail fence in the 25' No Disturb Zone/Conservation Area. The Conservation Commission is requesting that these grass clippings be removed and disposed of off-site. ABC Disposal will collect these grass clippings free of charge as specified in the enclosed brochure. The Conservation Commission would like the grass clippings removed by October 21st, 2016. Please contact me at 508-979-1497 to inform me of when the grass clippings have been removed.

Thank you in advance for your cooperation,
