**RE: Request for an Amended Order of Conditions  
1309 Sassaquin Avenue  
DEP File No.: SE 049-0857**

Dear Commission Chair,

On behalf of our client, Abra Degbor, we respectfully request the Commission review the revised Site Plan and consider issuing an Amended Order of Conditions to the original Order of Conditions issued on January 7, 2021 and recorded at the Bristol County Registry of Deeds in Book 13651, Pages 322-336.

The proposed revisions include a new building with a slightly smaller footprint and reduced site grading. Additionally, the two roof recharge systems were combined into one system. The proposed limit of work has remained unchanged from what was previously approved.

We would like to thank you in advance for your time and consideration on this matter and please do not hesitate to contact us with any further questions.

Very truly yours,

FARLAND CORP., INC.
