**RE: Request for Approval of a Minor Plan Modification  
139 Stevenson Street – New Bedford, MA SE049-0878**

Dear Commission Members,

We are submitting a request for approval of a minor plan modification to the work proposed under the order of conditions issued for SE049-0878 on November 3, 2021. The changes made to the plan revised July 14, 2022 are as follows:

- Reduction in the size of the proposed addition on the rear of the dwelling
- Reduction in the size of the proposed porch on the rear of the dwelling
- Reduction in the size of the proposed deck on the rear of the dwelling
- Reduction in the size of the patio adjacent to the deck in the rear of the dwelling.
- The crushed stone walkway was changed to a concrete patio on the rear of the addition in the rear of the dwelling.
- Size of stormwater recharge system was reduced. No change in proposed location.
- New proposed fence running from the proposed addition on side of house to the proposed deck.
- Crushed stone parking area on left side of rear addition was extended northerly. This is outside of the 100' wetland buffer.

Very truly yours,

FARLAND CORPORATION, INC.
