Pare Project No. 20109.00

Dear Mr. Perks and Members of the Conservation Commission:

On behalf of Shoreline Marine Terminal, LLC (Shoreline) – the Applicant, Pare Corporation (Pare) is requesting a formal withdrawal of the prior Notice of Intent Filing, MassDEP #SE049-0892, issued to you on March 24, 2022. The March 2022 filing included the demolition of Buildings #2 and #12. We have refiled a new NOI today, which extends the subject demolition work further west and includes demolishing Buildings #1, #2, #3, #3A, #4, #12, and #19. The Project also includes disconnection and abandonment of associated building utility services, and installation of asphalt pavement, dense grade aggregate, utilities, and stormwater best management practices in the affected areas and associated landscaping.

If there are any questions or concerns regarding this withdrawal request, please do not hesitate to call me at 857.208.6980.

Sincerely,  
**Pare Corporation**
