G.A.F. Job No.: 22-9846

Dear Members of the Commission,

On behalf of our client, Acushnet Company, please find enclosed the following items which comprises our application for the issuance of a Certificate of Compliance for the Order of Conditions, issued on April 19, 2022, and recorded at the Southern Bristol Registry of Deeds in Book 14322, Page 303.

- Application fee of \$1500.00.
- Two copies of WPA Form 8A.
- Two copies of the Plan to Accompany Certificate of Compliance for SE-049-0888, prepared by G.A.F. Engineering, Inc. dated November 22, 2022.

We find that the work has been completed in substantial compliance with the approved plan and the Order of Conditions with the following minor modifications:

- The area of proposed paving is reduced in area.
- The platform for the egress door is slightly larger than that indicated on the original plan.
- The 5-foot-wide grass strip adjacent to the access drive was not completed.
- Trap rock on the North side at the snow removal area is slightly larger than proposed.

Please contact me directly if you have any questions regarding this project.

Very truly yours,

William F. Madden, P.E.
