Job Description

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The work environment and exposures described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work is performed mostly outdoors; hand-eye coordination is necessary to operate tools, vehicles and various types of construction tools and equipment. Specific abilities required by this job include close vision, prolonged visual concentration, and the ability to adjust focus. While performing the duties of this job, the employee is frequently required to sit, stand, walk, talk, and hear; use hands and fingers to handle, feel, or operate objects, tools, or controls and reach with hands and arms. The employee is frequently required to climb, balance, stoop, kneel, crouch, or crawl. The employee is frequently exposed to adverse weather and other unpleasant conditions, such as heat, cold, wetness and humidity; dim or bright lights, dust, odors, noise, vibrations, toxic agents, smoke, electrical currents, heavy machinery, fumes, airborne particles, various risks, toxins, and hazardous waste associated with water distribution and sewage collection lines. The employee must exercise caution when operating vehicles or handling chemicals. The employee must frequently lift and/or move up to 50 pounds and occasionally in excess of 100 pounds.

Work Hours

This is a full-time non-exempt position with a typical 40 hours per week with required availability for after normal hours of operation during emergencies and other departmental critical needs.

Other Duties

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties, or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time with or without notice as needed by the City of New Bedford within the scope of departmental needs. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment of the position.
