New Bedford Planning Board
New Bedford City Hall
133 William Street, Rm 303
New Bedford, MA 02740

RE: Definitive Subdivision Plan "Farland Estates I"

Dear Madam Chair and Members of the Board:

We are submitting the attached Definitive Subdivision submittal for the above referenced project. Enclosed please find the following:

1. Application Forms
2. Form C
3. Site Plan Application
4. Site Plan Checklist
5. Transmittal
6. Filing Fees
7. Certified Abutters List
8. Project Narrative
9. Proof of Ownership
10. Electronic Files

As part of this Definitive Subdivision submittal we are requesting waivers from the provision of the City of New Bedford Subdivision Control Bylaw. These waivers are as follows:

Article VI. (B-2) - Test Pits

Request: - to allow testpits provided in lieu of one per lot.

Article VII. (B-2) - Street Improvements

Request: - to allow a twenty-eight (28) foot wide paved roadway in lieu of the required thirty-four (34) foot wide paved roadway.

Request: - waiver requested for sidewalks on one side of the street in lieu of both.

Site Plan Review Application Checklist

Request: - to waive the need for a Development Impact Statement

Request: - to waive Architectural Plans

Request: - to waive the need for a Traffic Impact & Access Study

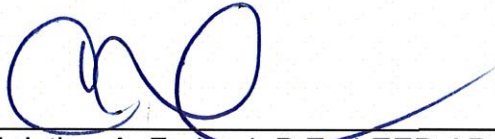

Please note that the Planning Board and Conservation Commission approved a thirty-nine lot subdivision on this property in 2016 and a fifteen lot subdivision in 2017.

Farland Corporation, Inc. has utilized the plans that were approved in 2016 and reduced the number of lots from thirty-nine to twenty-seven. We have eliminated the additional roadways and the thru street to Victoria Street. Farland Estates I has one circular roadway which creates a unique private subdivision with great pedestrian and traffic circulation. Although the impervious area and stormwater runoff has been significantly reduced compared to the previously approved plans, Farland Corp. has kept the same infiltration basin and subsurface infiltration areas, therefore has not submitted revised stormwater calculations.

We believe that we have correctly identified the necessary waivers in this letter. Please feel free to bring to our attention any additional waivers that you believe may be necessary. We look forward to discussing this proposed subdivision with you during the public hearing process.

Very truly yours,

FARLAND CORPORATION, INC.
