This lot was purchased in 2006 with a foundation permit in place. The realestate crash/collarse ayears later made constructing a new home inteasible. The owner has altermeted to sell said lot numerous times with no success. The new plan includes a smaller house plan and whites the existing driving on the lot. The real estate market has improved and the owner world like to improve the lot with a single family double that hits into the neighborhood much better than the previously approved plan. Lot is Extremely IRREGULAR WHICH REQUIRES RELEIF OF LOT SIZE AND SIDE distance regiments.
